**RE:** Samra Farms LLC Request for Extension of Trust Water Donations CG4-23992(B)C  
and CG4-23992(C)C.

Dear Mr. Rehberger:

The purpose of this letter is to acknowledge your request to extend the above referenced temporary trust water donations for an additional year.

The Department of Ecology (Ecology) pursuant to Chapter 90.42.080(1)b accepts your request to lengthen the term of Trust Water Donations CG4-23992(B)C and CG4-23992(C)C through the 2017 irrigation season. The terms of the donations shall remain the same as those specified in your previous extension request letter dated March 30, 2015.

**The new expiration date for Trust Water Donations CG4-23992(B)C and CG4-23992(C)C is March 31, 2018.**

Please keep in mind that under RCW 90.42.080(4) the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years prior to the original donation period.

If, prior to expiration of the temporary donations, you would like to extend the donations once again, please send us a written request. Also, if you wish to modify any terms of the donation(s), your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation(s) can be extended or terminated.

If you have questions or concerns, please call the Office of Columbia Rivers Trust Water Coordinator, Patricia Kirk, by phone at (509) 249-6299 or by e-mail at [patricia.kirk@ecy.wa.gov](mailto:patricia.kirk@ecy.wa.gov).

Sincerely,
